

# MARIPOSA COUNTY LIBRARY HOMEBOUND DELIVERY SERVICE HOMEBOUND PATRON RELEASE FORM

**POLICY:** It is the policy of the Mariposa County Library to provide library services to the residents of Mariposa County. The Homebound Delivery Program is a service to provide library materials to residents of Mariposa County who are unable to come to the library. Trained volunteers will visit homebound residents on a monthly schedule to deliver, to pick up, and return library materials. Library Assistants will make library selections based on customer preferences previously indicated.

By my signature below, I hereby agree to hold harmless and release Mariposa County, its officers, agents, employees, and representatives from any loss, liability, claim, suit or judgment that may arise out of or in conjunction with the Library Homebound Delivery Service.

I understand that the library staff will select materials for my use, check the materials out to me for a four week loan period, and that the library will arrange to have a volunteer deliver the materials to my home on a scheduled basis.

Further, I understand that the volunteer assigned will be available only for scheduled visits to discuss reading selections and delivery of books. They will not provide assistance with activities of daily living or advice on financial or personal matters.

I understand that the program is supervised by the Library staff and that any problems or conflicts with the volunteer are to be reported to staff. I also understand that I may become ineligible for this program if I do not abide by the guidelines set forth.
